

MUSEO STANTON
000297
PROFESSOR A. BERTINI

The Secret Museum

Opening Party: Saturday, April 10, 7-10 PM

April 10 – June 6

3–6 Thursday and Friday

12–6 Saturday and Sunday

An exhibition exploring the poetics of hidden, untouched and curious collections—from museum store-rooms to private collections, cabinets of curiosity to dusty natural history museums, obscure medical museums to hidden archives—from around the world in photographs and artifacts, by Joanna Ebenstein, co-founder of Observatory and creator of Morbid Anatomy.
